

5th Bond in Concrete

25th - 27th July 2022, Stuttgart, Germany

Dear colleagues,

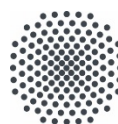

We are very pleased to announce that the next *Bond in Concrete* conference will be held at the University of Stuttgart, Germany from 25th to 27th July 2022. It is the 5th conference from the series which started in 1982.

We cordially invite you to join us in this international event to discuss the advances and challenges that we all face in research and engineering practice.

More information will become available on the conference website www.bondinconcrete.com in due time.

We are looking forward to welcoming you in Stuttgart,
